UNIC FOUNDATION COUNCIL FOR SCHOOLS AND PROGRAMS

When the business school or program joins UNIC Foundation all individuals involved in delivery of business education may join as individual members including the president, chief academic officer, head of the business unit, and faculty members.

BUSINESS EDUCATION WEEK: This is a one-page bulletin sent each Friday via e-mail to each individual member highlighting what is being reported about business education during the past week. In this way faculty can be made aware of important news about delivery of business education in a format that is a quick read with links to obtain more information.

INTER-SCHOOL SCIENCE COMPETITION: The quarterly Competition Program invites various schools to participate in different categories of the Competition Nationwide.

INTERNATIONAL TEACHING EXCELLENCE AWARD: UNIC Foundation through Its ISO Affiliations recognizes teaching excellence with an annual award. Two recipients are selected from each of ten regions. One person from each degree area is selected to receive the international award at the Annual Conference each year.

INTERNATIONAL STUDENT TRANSFER: This peer reviewed scholarly have the chance to network with students from other countries through an International transfer Programme.

REGIONAL COUNCILS: UNIC Foundation is geographically divided into ten regions. The national office staff and the leadership in each region provide workshops and seminars on topics and issues relevant to the field of business education during meetings in each region. Travel and registration costs to attend a regional meeting are dramatically reduced from the cost to attend the annual conference.

ANNUAL CONFERENCE: UNIC Foundation Annual Conference is a great opportunity to present and learn, to network and to be inspired! The Conference includes Financial Support, accreditation workshops, keynote and concurrent sessions on current topics and innovations, and outstanding opportunities to network.

UNIC Foundation GATEWAY: Individuals can log in to a private members-only site to access a wide variety of information and services. This includes updating their individual member record and to decline to receive certain benefits such mailings from UNIC Foundation corporate members.

MEMBERSHIP DIRECTORY: Each member institution has a profile and each individual member has a profile on UNIC Foundation Gateway. Using the search features, members have a searchable membership directory to locate other individual members or institutions.
